BOGGY CREEK IMPROVEMENT DISTRICT

**Agreement with Bryant Miller Olive for
Bond Counsel Services**

BOND COUNSEL AGREEMENT

This Bond Counsel Agreement is entered into this ____ day of March, 2021, by and between **BOGGY CREEK IMPROVEMENT DISTRICT**, a local unit of special purpose government created under Florida law and established by ordinance of the City of Orlando, Florida (the "District"), and **BRYANT MILLER OLIVE P.A.**, a Florida professional service corporation ("BMO").

W I T N E S S E T H:

WHEREAS, the District plans to issue its revenue bonds (the "Bonds") to finance or refinance the acquisition, construction and equipping of certain assessable improvements benefiting residents of the District; and

WHEREAS, the District desires to engage BMO as bond counsel in connection with the issuance and sale of the Bonds, on the terms and conditions hereinafter set forth; and

WHEREAS, BMO desires to accept engagement as bond counsel for the District in connection with the issuance and sale of the Bonds, on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the premises, which shall be deemed an integral part of this Agreement, and of the covenants and agreements herein contained, the District and BMO, both intending to be legally bound hereby, agree as follows:

1. BOND COUNSEL

1.1. Duties of Bond Counsel. BMO shall serve as bond counsel to the District in connection with the issuance of the Bonds. It is anticipated that such Bonds will be sold through a negotiated sale or private placement. The duties of BMO as bond counsel shall include the following:

1.1.1. Prepare all indentures (including a Master Indenture and Supplemental Indenture) with respect to the Bonds, and other documents relating to the Bonds, said duty to be performed in cooperation with the financial advisors and/or underwriters/placement agents engaged by the District.

1.1.2. Review all disclosure documents, including official statements, prepared or authorized by the District insofar as such documents contain descriptions of the Bonds and summaries of contracts or other documents relevant to the Bonds; provided, however, that BMO shall have no responsibility for the disclosure documents insofar as such documents describe the financial circumstances of the offering or any other statistical projects or data, and provided further, that BMO shall have no responsibility to the purchasers of the Bonds for state or federal securities law compliance in connection with the offering of the Bonds.

1.1.3. Review all underwriters' proposals as requested by the District, prepare all closing documents, and attend and be responsible for the closing, as well as attending drafting and informational meetings regarding the Bonds.

1.1.4. Render opinions in written form at the time the Bonds are to be authenticated and delivered, which opinions shall cover the legality of the Bonds and the exemption of the interest to be paid with respect to the Bonds from federal income taxation.

1.2 *Duties of Bond Counsel under this engagement are limited to those expressly set forth above. Among other things, Bond Counsel's duties do not include:*

1.2.1 Assisting in the preparation or review of an official statement or any other disclosure document with respect to the public offering of tax exempt debt obligations, or performing an independent investigation to determine the accuracy, completeness or sufficiency of any such document or rendering advice that the official statement or other disclosure document does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

1.2.2 Preparing blue sky or investment surveys with respect to the debt instrument.

1.2.3 Drafting state constitutional or legislative amendments.

1.2.4 Pursuing test cases or other litigation (such as validation proceedings).

1.2.5 Making an investigation or expressing any view as to the creditworthiness of the District, any credit enhancement provider, liquidity provider or the debt instrument.

1.2.6 Assisting in the preparation of, or opining on, a continuing disclosure undertaking pertaining to any publicly offered debt or, after Closing, providing advice concerning any actions necessary to assure compliance with any continuing disclosure undertaking.

1.2.7 Representing the District in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations.

1.2.8 After Closing, providing continuing advice to the District or any other party concerning any actions necessary to assure that interest paid on any tax exempt debt instrument will continue to be excludable from gross income for federal income tax

purposes (e.g., this engagement does not include rebate calculations for any tax exempt debt).

1.2.9 Providing any advice or opinions on bankruptcy matters.

1.2.10 Providing advice or opinions on interest rate swap agreements.

1.2.11 Addressing any other matter not specifically set forth above that is not required to render BMO's legal opinions.

1.3. Fees and Expenses for Services Rendered as Bond Counsel. Based upon (i) our understanding of the terms, structure, size and schedule of the financing represented by each Series of Bonds; (ii) the duties we will undertake pursuant to this agreement; (iii) the time we anticipate devoting to the financing; and (iv) the responsibilities we will assume in connection therewith, we will submit a fee for your approval prior to the issuance of each series of Bonds. Our fee may vary: (a) if the principal amount of Bonds actually issued differs significantly from the amount originally anticipated; (b) if material changes in the structure or schedule of the financing occur; or (c) if unusual or unforeseen circumstances arise which require a significant increase in our time or responsibility. If, at any time, we believe that circumstances require an adjustment of our original fee, we will advise you and request your prior approval. All fees will be inclusive of expenses incurred and expenses will not be separately billed. Our fee is usually paid at the closing for a Bond issue, and we customarily do not submit any statement until the closing unless there is a substantial delay in completing the financing. We may submit an additional statement for client charges following the closing.

If for any reason the financing represented by an issue of Bonds is not consummated or is completed without the delivery of our bond opinion as Bond Counsel, or our services are otherwise terminated, we will expect to be compensated at our normal hourly rates (currently ranging from \$150 to \$350, depending on personnel) for time actually spent on your behalf plus client charges, as described above.

1.4 Limitations on Engagement: Unless otherwise expressly stated herein, it is understood and agreed that the District is not relying upon Bond Counsel for investment or accounting advice or decisions, or to investigate the character or credit of any persons with whom you are or may be dealing in connection with this matter.

1.5 Waiver of Future Conflicts: It is a condition of BMO's acceptance of this engagement that the District understand and agree that BMO may continue to represent, or may undertake in the future to represent, any existing or future client(s) in any matter which is not substantially related to the particular matter that BMO is handling for the District in this engagement.

1.6 Applicability to Future Engagements: Unless a different engagement letter is executed in the future, the terms of this engagement letter will also be applicable to and govern

our professional relationship on all subsequent matters on or in which we may become involved or engaged on the District's behalf.

2. TERMINATION. This Agreement may be terminated by the District, or by BMO, with or without cause, upon fifteen (15) days prior written notice to the other. If the District terminates BMO for reasonable cause related to the District's dissatisfaction with the quality of the services rendered by BMO (such as, for example, BMO's failure to meet reasonable deadlines imposed by the District, BMO's neglect of its duties hereunder, or BMO's improper performance of its duties hereunder), then no compensation shall be paid to BMO for any services theretofore rendered pursuant to Section 1 of this Agreement. If the District terminates BMO for any other reason, but nevertheless sells the Bonds, then compensation to be paid by the District shall be an amount equal to the number of hours devoted by BMO to its services as bond counsel pursuant to Section 1 above through the termination date multiplied by \$350.00.

3. CONSTRUCTION. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida.

4. CONFLICTS. The rules regulating The Florida Bar provide that common representation of multiple parties is permissible where the clients are generally aligned in interest, even though there is some difference in interest among them. BMO is disclosing to the District that it has, and may in the future, serve as bond or disclosure counsel to other local governments or otherwise act as underwriter's counsel or trustee's counsel on public finance matters in Florida. From time to time, BMO may represent the firms which may underwrite the District's bonds, notes or other obligations (and other financial institutions hired by the District) on financings for other governmental entities in Florida on unrelated matters. In either case, such representations are standard and customary within the industry and BMO can effectively represent the District and the discharge of BMO's professional responsibilities to the District will not be prejudiced as a result, either because such engagements will be sufficiently different or because the potential for such prejudice is remote and minor and outweighed by consideration that it is unlikely that advice given to the other client will be relevant in any respect to the subject matter, and the District expressly consents to such other representations consistent with the circumstances herein described. The District acknowledges and agrees that BMO's role as bond counsel, disclosure counsel, or counsel to any local governmental entity or financial institution or in conjunction with public finance transactions is not likely to create or cause any actual conflict, and service as disclosure, bond, or counsel to other clients of BMO will not per se be construed as a conflict or be objectionable to the District.

Please understand that while we cannot, and do not, guarantee the outcome or success of this or any other engagement or professional undertaking, we will earnestly strive to represent and serve the District's interests in this engagement effectively, efficiently and responsively while endeavoring to accomplish its objectives in this engagement.

IN WITNESS WHEREOF, the District and BMO have executed this Agreement as of the ____ day of March, 2021.
